

Lesson 6: Careers

If you've been taking part in the Make it With Meat project you'll know there are a wide range of career opportunities within the food and drink industry. Even within the burger making process there are many careers involved.

**Think about the whole process, from farm to fork.
Use the space below to list as many jobs as you can.**

Job Profile

The Background:

Food and Drink is Scotland's largest manufacturing sector and is leading the way in areas like new product development, sustainability and technology which means it has jobs for everyone.

The Task:

Select one job from the list in the previous section and create a job profile.

Once you have decided on the job (e.g., Farmer, Soil Scientist, Butcher, New Product Development Technician, Health & Safety Officer, Chef) carry out research to complete the job profile below.

Job title:		
Skills required:		
Qualifications/ experience required:		
Pay range:		
Good things about the job:		
Bad things about the job:		
Is this a job you would like to do?	Yes	No

Make it With Meat Bumper Quiz

Now try the Make it With Meat Bumper Quiz to find out how much you have learned about the processes involved in producing a burger: <https://take.quiz-maker.com/QMD60MU72>
