

### **Names and salary details of senior staff at Quality Meat Scotland**

In response to a specific ministerial direction in 2010 which was aimed at increasing transparency in the Scottish Government, Quality Meat Scotland (QMS) along with other public bodies, publishes the salary details of relevant senior staff. This information is detailed below in the format which is used by Public Bodies to disclose relevant remuneration details.

Interested parties should note, however, that QMS is not funded by grant in aid from the Scottish Government. The funding for QMS is raised by a levy from the farmers and processors who supply and process cattle, sheep and pigs through Scottish abattoirs. QMS applies for EU and Scottish Government grants to deliver specific programmes of work to benefit the red meat industry. Grants received are identified in the QMS Annual Report & Accounts.

Name: Uel Morton  
Job Title: Chief Executive  
Grade: n/a  
Organisation: Quality Meat Scotland  
Basic pay as at 30 June, 2016: £95,000-£100,000

Three members of senior staff have not given consent to publication of their salary information.

Note:

There are no arrangements for payment of bonus to any QMS staff
